Re: Request for Business verification audit.

Dear 4G/Infinite client:

The 4G Antenna Shop Inc. is conducting an internal audit on behalf of a request by AT&T. In this request the 4G Antenna Shop Inc. must confirm that all AT&T lines are in compliance with our Master Agreement and services contract.

At this time, we are confirming BUSINESS USE REQUIREMENTS for all AT&T products sold through the 4G ANTENNA SHOP INC., failure to comply with our request to confirm and update Business information will result in service termination. All services sold by the 4G Antenna Shop Inc. on the AT&T network are obligated and bound by this requirement.

“The Notice stated and served to remind 4G ANTENNA SHOP INC. that the MRA permitted resale of AT&T products and services to business use Customers only. See MRA Sections 3.3 and 11. The Notice provided you as a result, you must provide the BAN, CTN, End User Business Customer information for any lines on this account that you assert as compliant. AT&T reserves the right to request additional information per the MRA on auditing the submitted lines for business resale compliance.”

Required Information: BUSINESS NAME/EMPLOYER NAME/VENDOR NAME that you own, work for, procure on behalf of, for the use of this AT&T Internet Product for your business, employees, equipment or other business use.

If you are not interested in compliance with this notice, you must seek alternate Internet connectivity as soon as possible, Infinite offers Home Based Internet products that are not part of the AT&T network which may better suit your internet needs.

As always 4G/Infinite remains thankful for your patronage and we hope to continue providing service to Rural America for many years to come.

Sincerely,

Robert Villanueva

4G ANTENNA SHOP INC.
